

OUR MISSION

MassAAL is the voice for the adult learner in Adult Basic Education (ABE), English for Speakers of Other Languages (ESOL), and GED programs in Massachusetts. MassAAL assists the adult learner in developing lifelong leadership skills, creates public awareness about the need for adult literacy, and strengthens the adult learner's voice in shaping public policy for adult literacy services in Massachusetts. MassAAL empowers adult learners by helping them to have a collective voice in how their ABE programs are run.

WHO WE ARE

MassAAL believes that adult learners have great talent, experience, and potential to be effective leaders at their programs and in their communities.

MassAAL is run by a board of current and former adult learners. Board members are supported by representatives from the System for Adult Basic Education Support (SABES) and the Massachusetts Coalition for Adult Education (MCAE).
