

Resources: Instructional Videos and Supporting Materials

Resource	Description
<u>ESOL Best Practices Video: Error Correction</u>	For teachers correcting English learners' errors, it helps to think about what to correct, when to correct, and how to correct. This video shows a teacher demonstrating several techniques that address these considerations. 9:25 minutes.
<u>ESOL Best Practices Video: Well-Structured ESOL Lesson</u>	What does a well-planned ESOL lesson look like in the classroom? This video shows an ESOL teacher demonstrating all of the elements of a well-structured ESOL lesson: clear objectives, formative assessments, scaffolded activities, and differentiated instruction. It also shows students engaged and interacting with one another. 6:25 minutes
<u>ESOL Best Practices Video: Limiting Teacher Talk and Increasing Student Engagement</u>	As an ESOL instructor, one of the greatest challenges you face is how to limit your own “teacher talk” while providing ample opportunities for student conversation and engagement. This video will provide some examples and suggestion to help incorporate more interaction and conversation among students. 6:42 minutes
<u>ESOL Best Practices Video: What NOT To Do When Teaching and ESOL Class</u>	Here we look at an example of what NOT to do when teaching an ESOL course. The examples included in this video are exaggerated. Take a look and see if you can find them all. 4:21 minutes

ESOL Instructional Video Lesson Plan	Adapted from Achieve the Core's Lesson Planning Tool by Student Achievement Partners and from the work of William Schaffer, this lesson plan is designed to support the concepts and strategies demonstrated in the above videos.
Resources to Support Instruction of English Language Learners	In this document you will find a listing of additional resources to support your work in the ESOL Classroom.
