### EXAMPLE:

To make a Peanut Butter and Jelly Sandwich, you will **first** need to gather all your ingredients. These include two pieces of bread, your favorite jelly, and some delicious peanut butter. You'll also need a knife. Once you have everything together, the **next** step is to use the knife to spread the peanut butter on one piece of bread. **Then** spread the jelly on the other piece of bread. **Finally**, put the two pieces of bread together so that the peanut butter is touching the jelly. In no time at all, you are ready to dig in. Enjoy!
